Child Baptism Application Form

We are delighted that you are seeking Baptism, sometimes called 'Christening' for your child and look forward to helping you celebrate this most important milestone in their spiritual life.

Part of baptism is welcoming the newly baptised into the family of the Church, so baptisms normally take place within one of our Sunday services.

The Chaplain or one of the Assistant Chaplains will visit you to explain what is involved and we will also send you a helpful booklet entitled "Your Baby's Baptism" containing lots of useful information.

The Godparents

Godparents should be baptised and confirmed members of the Church of England, or a Church in communion with it. Traditionally you have two Godparents the same sex as the child and one of the other sex. If you have questions about Godparents we will be very happy to answer them.
